PO Box 509

Dear Mr. Hayes:

It is a pleasure to inform you that the Stonewalls/David V. Hayes Farmstead and Sculpture Fields, at 905 South Street in Coventry, was listed on the State Register of Historic Places by the Connecticut Historic Preservation Council on February 3, 2016.

The State Register of Historic Places is an honorary designation established by the General Statutes. Although the designation does not prevent a property owner from demolishing a structure, the State Register guides local officials, State agencies, and the general public in identifying historic properties.

It is my sincere hope that this designation will serve to encourage the protection of this important historic resource. We appreciate your concern for historic preservation.

If you have any questions, or if this office can be of assistance, please call me at 860-256-2766.

Sincerely,

Jenny Scofield, State and National Register Coordinator
